

## Come Join Our Team!

Shipping Services (Fiji) Pte Ltd ("SSFL"), a leading provider of shipping agency and logistics services in Fiji, invites applications from highly experienced and qualified professionals for the position of **Accountant**.

SSFL is a well-established locally owned organisation operating within the shipping, transport and logistics sector, supporting international shipping principals and regional operations. The Accountant plays a critical role in ensuring the integrity of financial reporting, supporting strategic decision making and maintaining financial governance across the organisation.

This role requires a close working relationship with the Group Chief Financial Officer, providing leadership across key finance functions, including accounts payable, receivables and financial reporting.

Key responsibilities will include:

- Leading the month end closing process and ensuring timely preparation of accurate management accounts and financial statements.
- Preparing and analysing monthly financial reports, including detailed variance analysis against budgets.
- Managing budgeting and forecasting processes, including cash flow projections to ensure liquidity.
- Overseeing intercompany reconciliations across branches, overseas agents and shipping principals.
- Supervising accounts payable, receivables and payroll functions to ensure accuracy and efficiency.
- Managing the Fixed Asset Register and supporting financial evaluation of capital expenditure.
- Ensuring compliance with statutory requirements, including VAT and tax filings.
- Coordinating internal and external audits and acting as the key liaison point.
- Developing and maintaining robust accounting policies, procedures and internal controls.
- Monitoring financial data integrity and maintaining audit ready documentation systems.
- Providing leadership, guidance and mentorship to finance team members.

The preferred candidate must have:

- A University degree in Accounting, Finance or related discipline.
- Minimum of 3-5 years experience in accounting or similar role.
- Strong knowledge of accounting principles, financial reporting standards and relevant regulations.
- Experience working within a multi entity and group structure.
- Proficiency in accounting systems and Microsoft Office applications.
- Strong analytical, problem solving and organisational skills.
- Demonstrated ability to lead and develop a team.
- Experience in the shipping, transport or logistics sector will be an advantage.

This role is based at SSFL's Head office and may require occasional travel. The successful candidate must be adaptable, detail oriented and capable of working in a dynamic, fast paced environment.

All applications will be treated with strict confidence and should be received by 30 June 2026.
